Winter 2022

of the United States Adaptive Recreation Center

Summer Back on Track

Looking back on our summer program, we cannot help but be grateful that we were able to get back out on the lake after missing a season due the pandemic. Lake levels were lower than we hoped for, but there was still plenty of water for us to enjoy our days out there. Thank you again North Shore Landing and Holloways Marina for allowing us the use of the dock and beach area! It was great getting back into our regular waterski program days with new and familiar faces.

Dan helping Dawn getting ready to ski

Our two overnight sessions were a great success and filled with lots of laughter and fun moments. We introduced a new camp activity in the form of an adaptive slack line, which many people tried and loved! We were also excited to add additional days this summer which included kayaking, fishing, and hiking. This allowed for a more adventurous experience and showing everyone that the beauty of Big Bear is not only on the lake!

Before we knew it, another hugely successful summer season is in the books! Thank you to all of you who helped make this return to summer so amazing. We look forward to seeing you all this winter!

Peak to Peak Rolls Out!

Riders are ready to hit the road!

The 27th Peak to Peak Pedal was another success thanks to the 22 riders who raised money toward the mission of USARC. Together they raised over $107,000!! (Cont. Pg 4)

A Note from the Executive Director

Sara Rosell-Gavigan
Executive Director

This new season brings a lot of excitement. After welcoming my son in May, I am looking forward to what this season will bring. Not only sharing the many firsts that come with a having a new baby, but making those memories that will last a lifetime.

Making memories is one of the amazing things USARC does for not only our participants but for our volunteers and supporters as well. Being a part of such a powerful and fulfilling program is what keeps everyone coming back year after year. This year is no different, USARC is committed to seeing smiles, making memories and changing lives one day at a time.

With COVID (almost) behind us, policies will be less restictive, but precautions will still be in place. Keeping everyone safe is the top priority as we move forward into the winter season.

While the long range forecast is a little uncertain, Mother Nature has teased us with some colder nights and the resort has been getting the snow-making system ready. I know that before long, snow will be falling and we'll have a schoolhouse full of eager participants and volunteers ready to hit the slopes! And don't forget, Ski-A-Thon 2022 is set for March 12th, so mark your calendars and save the date.

I hope your family has a safe and enjoyable holiday season, and I can't wait to see all of you on the hill! Until then, respectfully,

Gone, but not forgotten

George Stoneman, MD, was a long time volunteer and member of the USARC Board of Directors. George was the kindest man one could know, adored by his family, respected by his peers and loved by all who knew him. George will be missed by all of us at USARC. Thank you for the love and support throughout the years.

Learning at it's best, USARC style!

Alejandra leading a group of excited kayakers

I'm Alejandra Gonzalez and I recently completed my internship with USARC. I learned quite a bit about the operations of this program both in the office and out on the water.

My time as intern has been a great experience working alongside great people that have a passion for giving back. I also experienced working with the volunteers who are amazing individuals and welcoming to all. Without having wonderful people helping this program run none of this would be possible.

I experienced a learning curve, due to this being my first experience working hand and hand with a system of adaptive aquatic equipment. I also learned the techniques and importance of each role in program days. Along with having waterskiing, we have kayaking, tubing, and stand-up paddle boarding. We lead an all-inclusive environment with a friendly and supportive approach. If there is a will to participate in an activity there is a way that USARC will make it happen. This program promotes a chance to have fun in the sun but also gives a challenging approach to achieve goals and objectives for participants.

The best part about interning with USARC was making memories with participants and enjoying the smiles they have from this program. Seeing the gratitude that the participants and their parents have for USARC is what reassures me that this career is what I strive for. I am grateful that USARC has given me this opportunity and that I was able to experience my internship with them.

The snowy season is here!

It is that time of year! Time to start pulling out your winter gear, dusting off your skis, and getting back into ski mode. The temperatures have dropped and we are now waiting for a good snow storm to come our way. We are getting excited for the coming winter season and cannot wait to have people back on the mountain with us.

With all of the uncertainty we are still experiencing in the world right now, we are so happy to have the opportunity to be in the beautiful outdoors creating wonderful experiences and sharing smiles with all of you.

There will still be some precautions taken for everyone's safety due to Covid-19, although it will not be as extensive as last year's requirements.

Ted giving Zack a pep talk

We have our new volunteer training dates set for December 10 -12, 2021 and January 7-9, 2022. If you know anyone who loves to ski or the heart to help, spread the word. New this year, we will hold a snowboard specific training on December 9 and returning volunteer training will be held on December 6 & 7, 11 & 12, January 8 & 9.

We are always looking to recruit more amazing volunteers. Our program would not be able to happen without all of our rockstar volunteers who dedicate so much time and positive energy to our participants and program.

We are taking reservations now and start our first lessons on December 13th. We cannot wait to see you on the slopes really soon!

Peak to Peak 27 cont.

What better way to share the adventure, than with pictures! We hope you can join us next year for #28!

The 27th Peak to Peak Pedal did not disappoint! The theme of this ride was wind, and not just a nice breeze. The headwind on day 4 proved to be a beast but the riders persevered through it and got to Bishop. Some of the crew got stuck in Lone Pine on the way home when 395 shut down to high profile vehicles. A motorhome, trailer and the Honda with the gear, got stuck overnight to wait out the high winds. Thank you to the VFW for the hospitality!

We are already planning ahead to next year, so keep an eye on your emails and start thinking about joining us for the adventure of a lifetime!

Save the Date!

Athlete Highlight– BRENDA

James and Brenda ready to paddle

Brenda Cochrane is an absolute joy to be around. Her smile and bubbly attitude are contagious and that is why we would like you to get to know her.

The Spirit (TS): How did you first hear about USARC?
Brenda (BC): I first heard about USARC in high school. I went snow skiing in 1993 while attending Hesperia High school.

TS: Tell me about one of your favorite USARC Memories
BC: I loved all the activities in summer camp especially stand-up paddle board and kayaking.

TS: What other things do you like to do for fun?
BC: I also belong to an equestrian and hiking group. I enjoy long rides and hiking the Pacific Crest Trail. I also enjoy swimming and running.

TS: Who is one of your role models?
BC: My role model is Brenda Kay; she has the equestrian and hiking group I've belonged to for 7 years! She's a positive, fun person to be with.

Brenda enjoying some cardio

TS: If you had a superpower what would it be and why?
BC: If I had a superpower, it would be running as fast as the wind because I love to go fast!

TS: If you could travel anywhere, where would you go?
BC: If I could travel anywhere, it would be back to Canada. I've been twice and love it.

Brenda out on a ride with Missy

TS: What's one thing you're looking forward to in the next year?
BC: I'm looking forward to winter sports with USARC and seeing old friends and making new friends and many happy memories.

TS: Thank you Brenda! We look forward to seeing you this winter as well.

How can I help USARC?

In reply to this oft-asked question, your options are numerous. In addition to volunteering, there are many ways to financially support the USARC!

DONATE ONLINE IN YOUR NAME OR AS A TRIBUTE TO A LOVED ONE

Clicking here https://www.givedirect.org/donate/?cid=1433 or via the Get Involved option on the USARC website at www.usarc.org, will take you to a secure, reliable website where you can use your credit card to make a one-time or recurring tax deductible donation in your name or in recognition of another.

PARTICIPATE IN THE ANNUAL SKI-A-THON OR PEAK TO PEAK PEDAL

Under the Event tab at www.usarc.org are the web pages for these respective special events. Held annually in March and October, respectively, these unique and fun events allow you to support the USARC while engaging in activities you love, be it snow sports or cycling!

SHOPPING PARTNERSHIPS

The USARC can be named as a partner when you shop at numerous retailers, either online or at "brick and mortar" stores. Amazon's charitable arm, http://smile.amazon.com. Other online retailers at www.igive.com or www.escrip.com, allow you to select the USARC as a beneficiary of your shopping forays. RALPHS grocery shoppers can register at www.ralphs.com/topic/community-contribution-2 and designate the USARC to receive a portion of your purchases.

PLANNED GIVING IN YOUR WILL OR TRUST

The USARC can be named as a beneficiary in your estate planning, enabling you to support the important and life-changing programs of the USARC well into the future. Consult your tax and legal professionals or call the USARC and we can put in you in touch with somebody to guide you through the process.

DONATE YOUR OLD CAR, BOAT, RV ETC.

Cars, trucks, motorcycles, boats, trailers and RVs donated in the name of USARC at https://careasy.org/nonprofit/USARC are sold, with the proceeds defraying USARC's operating costs and you receive a tax deduction! Please call 855-500-7433 or click on the link to get started.
